2ND BEST PRACTICE

2. Title of the Practice----Extension service in the adopted village

1. Objectives of the Practice—To encourage students to additional responsibilities of social life, to show them the knowledge and experiences of some personalities who are contributing to society by their special work in specific areas of society.

In 2016 the College adopted a village named Nam Tapesia of Sonapur Revenue Circle in Kamrup (M) district as a part of its Extension Service Programme. Since then the College has been relentlessly working on the overall development of the village by organizing and arranging various camps, interactive sessions, activities and visits. As part of its community service programme, Karmashree Hiteswar Saikia College has provided electricity connection for Nam Tapesia L.P School. The School has been without electricity since it was established in 1974. The National Service Scheme (NSS) unit and the Red Ribbon Club unit of the College have organized special camps in the village and delivered lectures on various socially relevant themes. The teaching faculty of the college has also taken up classes in the Nam Tepesia L.P School for the benefit of the students.
