Green Campus Policy

Karmashree Hiteswar Saikia College is obliged to regulate its activities towards maintaining green campus. The following are the different aspects of our Green Campus Policy to maintain natural diversity within the campus:

- The college should formulate its directive as per the guidelines of relevant environmental legislation formulated by the central and state governments from time to time.
- The college should protect environment through the prevention of pollution and waste accumulation in the campus.
- Special measures should be taken to protect and improve biodiversity within the campus through proper waste management.
- The campus has to be made plastic free to a possible extent.
- Reservation of rain water harvesting should be constructed in the campus.
- The college should take steps to harness solar power.
- The college should attempt to become a paper free one by promoting electronic platform for academic and administrative purpose.
